**Lockers (for 5<sup>th</sup> – 9<sup>th</sup> grade only)**

Locks and Locker numbers will be issued on the 1<sup>st</sup> day of school. Please do not bring your own lock for your locker. The school will supply you a lock on loan.

A locker organizer with a shelf may help students keep lockers organized.

It is not recommended to store food in the lockers due to heat.

Please put your name on your supplies and bring them with you on the first day of school unless specified. Students will have projects throughout the year that may require more supplies including sheet protectors and report folders. As projects are assigned, details will be sent home.

Rulers must be **American** and **Metric**. Please be sure **Inches** and **Centimeters** are on the other side.
